ASBG's Bar-B-Q News:

The ASBG office would like to thank everyone for participating in our Bar-B-Q on Friday. We hope everyone enjoyed the food and the wonderful music provided by the ASBG Social Activities Director. This is only the Beginning, watch our advertising for the next event which will be held on October 29, 1999.

We are having a Karaoke Contest and a Halloween Costume Contest in the Cafeteria from 11:00 to 3:00 with fun for all. So please plan on joining us. There will be music from 11:00 to 12:00, then a break to do costume judging until 1:00, and then back to more music. You don't have to be a good singer to win, you just have to strut and sing to the music. The costume prizes are for, Best Costume, Scariest Costume, and Cutest Costume. Karaoke prizes are for Best Performance and maybe more.

So if you want a chance on winning a prize or just want to join in on the fun, we'll see you there. This is your chance at fame, so come and give it a try.

Any Ideas?

If you have any ideas for campus activities please take the time to visit the ASBG office and discuss them.

If you have a problem, come in to the ASBG office and speak to one of it's officers to see if there is something we can do

Smart Reading Program:

SMART is looking for volunteers. SMART is a reading and literacy program that pairs adult community members with elementary age children in local elementary schools. The mission of smart is to enhance the reading skills of children struggling with reading The program runs from Oct. to May and has served the Clatsop County since 1992. SMART would like to reach 10,000 students by the year 2000. To volunteer in Astoria, please call 338-1025. To volunteer in Warrenton or Seaside please call 738- 4470. The SMART Program has given away approximately 15,300 books to date. So please help.

The Poet's Corner

True Friends

There are many people
that we meet in our lives
but only a very few
will make a lasting impression
on our minds and hearts.
It is these people that we will
think of often
and who will always remain
important to us
as true friends.
THANK YOU FOR YOUR FRIENDSHIP!

If you would like to see your poetry here. Contact the publisher in the ASBG office.

A Touch Of Humor:

Your Friend the Computer:

Top ten signs you bought a bad computer!

1. You've decided that your computer is an excellent addition to your fabulous paperweight collection.
2. The only chip inside is a "Dorito."
3. The manual contains only one sentence! "Good Luck"
4. The screen often displays the message, "Ain't it break time yet?"
5. Whenever you turn it on, all the dogs in your neighborhood start howling.
6. The quick reference manual is 120 pages long.
7. Its slogan is, "Pentium: redefining mathematics."
8. In order to start it, you need some jumper cables and a friends car.
9. Its celebrity spokesman is that, "Hey Vern!" guy.
10. The lower corner of the screen has the words "Etch-A-Sketch" on it.

Important Notices:

Please stop in at our CCC Art Center Gallery and view the watercolors and bronze works of Roy D. Garrison that will be on display from October 1— November 3. I'm sure you will enjoy it.

Don't forget to stop in at the Library for your new picture I D.

PHOTO STUDENT BODY CARDS
It takes about 5 minutes to have your CCC photo student body card made. Having a photo ID will expedite library transactions. Check at the circulation desk.

USE OF COMPUTERS

The computers in the Learning Resource Center are for research (except for one terminal dedicated to e-mail use). Research means that the LRC computers are **not** to be used for e-mail, chat rooms, word processing, personal web surfing, ... You can sign up to use the research computers up to one week in advance in 30-minutes blocks, not to exceed two hours per day. The computer reserved for e-mail has a limit of one 30-minute block per day.

With the purchase of a lab pass, students have access to the computer labs (T100) on campus where they do word processing, etc. Please take advantage of this opportunity. Also, remember there are computers in the ASBG office if there is no room in the computer lab.

NEW AUTOMATED SYSTEM
We begin the Fall '99 term with the Voyager system. Our collection is on-line and can be accessed from off campus at *library.clatsop.cc.or.us*. With the new system, there may be glitches, so please be patient.

CLOSED CONTAINERS ALLOWED IN THE LIBRARY OUTSIDE THE COMPUTER AREA
Beginning October 15th, students may bring closed containers of coffee, juice, pop or water into the library, BUT NOT IN THE COMPUTER AREA. **Food is still not allowed in the library.**

REFERENCE HELP AVAILABLE
If you've been assigned a paper, come to the library right away. If the Learning Resource Center does not have the information you need, you can obtain materials from other libraries through inter-library loan. A valid student card is necessary to use this service. **Give yourself plenty of time when you do research**.

Announcing the Third Annual **Fisher Poets Gathering**

A Poetry Festival dedicated to the maritime industries and lifestyle

We are looking for people who can read their poetry, read fiction or non-fiction, tell stories, sing songs, talk about folklore, or share their art...

First preference is for participants who have been **commercial fishermen/women**, who have worked in the canneries, who have served as deck hands, cooks, etc.

Fisher Poets Gathering 2000 will feature a special session by British Columbian writers and performers.

Please help us spread the word to **British Columbians!!!**

Fisher Poets Festival 2000 will be February 25, 26, 27 at the Wet Dog Café in Astoria, Oregon. For more information, call Julie Brown at 503-338-2471 or Jon Broderick at 503-436-1039. Or email at jbrown@clatsop.cc.or.us.

In order to be in the program, you must submit your work to us by January 10, 2000. Queries or questions previous to that date are encouraged, as the program fills up fast!

Last year's festival drew over 400 people to hear 40 fisher poets, storytellers, and musicians. It drew national attention and was reviewed in the *Seattle Post Intelligencer, the Oregonian, the Daily Astorian, Pacific Fishing, Alaska Fisherman's Journal*, and *Seattle Weekly.*

PSU Creates "Anywhere, Anytime" Courses

In addition to the traditional, on-campus courses, Portland State University's School of Extended Studies offers college-level courses by correspondence. There are no admission or residency requirements. Enrolling is easy. Tuition per credit is $75. Start any time and take up to 18 months to complete a course. Students determine deadlines and exam dates. Access to instructors is by phone, email, mail, or fax.

The program, offered through Independent Study, creates opportunities for students who might not otherwise have access to higher education. Kathleen Scotland of Orlando, Florida, enjoys the ability to schedule courses around her busy schedule. She finds, "Taking courses at PSU offers freedom and flexibility. I can start reading the chapters, solve the problems, and place the answers online at a convenient time." Clara Chezem of Eugene, Oregon, agrees, "So many people put college on hold, but now they don't have to. This program allowed me to resume my studies and still take care of my children." Courses are available world-wide. Currently, people from 26 countries and all 50 states are taking Independent Study courses through Portland State University.

Who: PSU School of Extended Studies, Independent Study
What: College-level correspondence courses (Independent Study)
When: Any time
Where: Anywhere

SEEKING VOLUNTEERS
For Patterning

We need big hearted volunteers to come to our home to assist in "patterning" sessions.

Emery is a 2 1/2 year old baby who has been diagnosed as being brain injured. Emery requires a rigorous program of stimulation which includes patterning.

Any amount of help you could offer would be much appreciated, or if you would pass along information to someone you know.

No patterning experience is needed. We will train you. Teenagers Welcome! Good mobility, coordination, patience and a joyful heart are required.

Patterning is a safe sensory program that heals and grows the brain by providing tactile information. It is administered by a team of 3 people in rhythm cross pattern in short sessions, often and consistantly.
